Republicans for a Permanent Majority

Updated: December 2025, Next Update: December 2026

Summary: These donors support hardcore conservative Republicans for federal office, and are dedicated to making the GOP a permanent majority for at least the next decade. They are fierce defenders of traditional marriage, the Ten Commandments, and a strong defense—have supported projects aimed at restoring defense spending to levels of the Reagan era. Along with donating to conservative candidates, they provide strong financial support for major tax reform, and to organizations working to rid the country of illegal aliens and are unwavering supporters of the Trump Agenda. They put their money where their mouth is when it comes to defeating “progressive” liberal candidates.
