## Multi-Candidate & Issues Donors

*Updated: July 2024, Next Update: July 2025*

**Summary:** This list is made up of conservative concerned donors that show their dissatisfaction with the Liberal agenda by donating to candidates for state legislative races, Congressional races, and conservative Presidential campaigns; and causes that promote sovereignty, tax reform and pro-family. These Tea Party patriots donate to defeat liberal Democrats and RINO Republicans. They believe the term “big government” conservative, as President George W. Bush as been described, is an oxymoron.
