## Catholic Conservative Donors

*Last Update: December 2026, Next Update: December 2026*

### Summary

These donors are traditional Catholics who are highly supportive of socially conservative organizations, generously donate to Candidates who share their views, and put their pocketbook where their heart is. They are Pro-Life and support the sanctity of life from conception to natural death. They uphold family values and donate to appeals for traditional marriage. These politically active Catholics are concerned about America's declining moral condition and dedicated to the preservation of liberty. They are adamantly opposed to left-wing agendas that attack and attempt to undermine organizations and projects that support Christian values, and are fiercely against liberal campaigns that seek to seize religious liberty from Catholics and the wider Christian community in America. On domestic and foreign policy, they hold Judeo-Christian values in high regard, are God fearing individuals, are strongly pro-Israel, advocate for Border Security and National Defense. These generous donors are in grave opposition to Obama's socialist agenda in America, and its negative impacts around the world.
