Make America Great
Updated: July 2024, Next Update: July 2025

Summary: **Make America Great** donors support Donald Trump's agenda. MAG activists fund conservative candidates committed to Make America Great—make America Free and Independent again. Many of these hardcore conservatives backed Dr. Ben Carson, Sen. Ted Cruz, or Gov. Ron DeSantis, but switched their allegiance to Donald Trump after the Primary (2016, 2020, 2024). These patriots understood how important it is for the GOP to increase their majority and hold onto the House and Senate. They will do everything possible to support organizations working to block the Obama/Biden Communist Agenda. Don't expect these GOP loyalists to donate to left-leaning Republicans. However, these generous donors give and give to conservative Republican candidates. Make America Great is part of the grassroots Trump base demanding that Congress enact stronger America First Agenda through fiscal responsibility, transparency and accountability. And they are loud in their demand that Congress pass the Trump agenda of economic growth and tax cuts. These grassroots donors are for organizations and candidates that want to kick start their fundraising campaign.
