Politically Incorrect Conservative Donors

Updated: December 2025, Next Update: December 2026

Summary: Donors of political action committees that target liberals for defeat and that support the election of pro-family candidates. These folks are fiercely pro-Trump! These patriotic Americans are social and economic conservatives, and dedicated to removing liberals from office. They hate the ACLU and the IRS. They show angry opposition to the United Nations, having contributed generously to campaigns to derail UN programs, such global taxation and the UN Biosphere program. These politically incorrect conservatives were outraged when the socialist liberal democrat senate attempted to filibuster Justice Neil Gorsuch's nomination to the Supreme Court. They are part of the cheering section for President Donald Trump.
