Citizens for Limited Government

Updated: December 2025, Next Update: December 2026

Summary

Citizens for Limited Government donors are staunch defenders of the U.S. Constitution, and seek least possible government intrusion in to life, liberty, and the pursuit of happiness. They are against the invasion of parenting and upbringing by socialist programs including CRT, DEI, and the trans agenda in schools that prohibits parents from protecting their children from mutilation. These Patriots long for the days our Founding Fathers intended, support U.S. Veterans, conservative and libertarian candidates, and Republican youth programs. These donors are against corruption, and in favor of higher standards throughout all sectors within which government intervenes and over-extends its reach.
