Updated: July 2015 - Next Update: January 2016

Summary:

These Tea Party Patriots believe that limited government provides unlimited opportunity for themselves, their children and their grandchildren. These donors are against the Obama liberal Big Government anti-freedom agenda. They are proven responders to direct mail. They donated to stop the giving away of American sovereignty, stop Clinton's abuse of power, and prevent Gore, the Sore Loserman, from winning. And they continue to donate to appeals for traditional marriage—gave to a hot package that exposed the selling of human body parts.
