## Border Security Defenders

Updated: July 2024, Next Update: July 2025

**Summary:** Build The Wall! These Patriotic donors defend President Trump's relentless commitment to building the wall along the southern border, are staunch defenders of ICE (Immigration & Customs Enforcement) and CBP (Customs & Border Patrol), and are committed to rooting out illegal immigration. Border Security Defenders are adamantly opposed to amnesty for illegal aliens, and explicitly against use of illegals in voting schemes. In defense of the homeland, these donors are outspoken against illegal alien crimes against U.S. Citizens, and champion deportation of criminal illegals. They are generous donors to conservative activist organizations and conservative Republican candidates to elective office. This is a productive file for charities and Christian oriented projects, as well as telemarketing.
