Border Security Defenders

Updated: July 2025, Next Update: February 2026

Summary

Build The Wall! These Patriotic donors defend President Trump's relentless commitment to building the wall along the southern border, are staunch defenders of ICE (Immigration & Customs Enforcement) and CBP (Customs & Border Patrol), and are committed to rooting out illegal immigration. Border Security Defenders are adamantly opposed to amnesty for illegal aliens, and explicitly against use of illegals in voting schemes. In defense of the homeland, these donors are outspoken against illegal alien crimes against U.S. Citizens, and champion deportation of criminal illegals. They are generous donors to law enforcement and first responder groups, veterans organizations, conservative activist organizations and conservative Republican candidates to elective office.
