

### SUMMARY

**Patriots Pac is stopping Democrats from their pattern of political socialism.**

**Democrats compete in politics as in warfare** - anything goes to win. Their goal is to be totally dominating and dictatorial, and eliminate all opposition, including labeling their opposition as the enemy to be destroyed - just as the Nazis did.

**The idea that Democrats and Republicans want the same thing is false.** Republican-Conservative Patriots are creating value and competition while Democrat-Socialists want power and monopoly.

Our Republic was founded by Judeo-Christian Patriots who were competitively elected by citizens with election laws enacted by each State. The Patriot's PAC was established to ensure this process continues to deliver prosperity. We must prevent Democrat initiated behavior that Democrats employed in the 2020 Election.

### ACTION STEPS

**Patriots PAC supports candidates** for: the US Senate and the House of Representatives. The Patriots PAC also supports local and state-wide candidates.

We support candidates running against RINOs (Republicans in Name Only) in primary elections. We oppose Democrat legislation, which would diminish our freedom and liberty.

Patriots PAC **supports Federal, State, and local legislation that protects voter integrity—and defends U.S. Citizen voting rights in Presidential Elections.**
