Drain The Swamp Committee
Updated: July 2024, Next Update: July 2025

The Drain the Swamp Committee is committed to bringing sanity back to Washington City—**Draining the Swamp** by defeating Socialist Democrats and RINOs (Republicans-in-Name-Only). And, with their exit will go the bureaucrats that support them! **Drain the Swamp** conducts **Independent Expenditure** campaigns at the **Federal, State and Local** levels.

Our 2026 goal is to increase the House majority, secure a 60 vote veto-proof Republican Senate, and uphold President Trump's America First agenda.

Many Drain the Swamp members believe that the Obama and Biden Administrations violated their oaths of office by encouraging aliens to invade the United States across our southern border. For this treasonous act they must be impeached and removed from office. Drain the Swamp members are hardcore and contribute generously to patriotic organizations that are fighting to restore liberty and block Biden's socialist agenda.
