Summary

These conservative donors are taking on the liberal law organizations. These patriots put their money where their mouth is to support Judicial Warriors – lawyers who have historically taken on Hillary Clinton, the ACLU, Americans United for the Separation of Church and State, NOW Legal Defense Fund, and American Atheists. In recent years, they have backed organizations including in defense of election integrity, in defense of President Trump and related lawfare, and against far-left initiatives like illegal immigration and DEI. They are pro-flag, pro-Pledge, pro-God, pro-life, and pro-family.
